Director's Interest Form – 2022 – 2023 Season

Encore's season runs from Fall through Spring, with five productions. Rough time frames are:

Fall 2022
(October)

Holiday 2022
(December)

Winter 2023
(February)

Spring 2023
(May)

Specific dates will be determined based on the shows selected.

If you have a show or shows in mind, please provide us with as much information about it (or them) as possible. Our reading subcommittee will need time to read each show proposed, so a copy of the script(s) would be helpful. If you'd like to direct, but don't have a show in mind, don't let that stop you! We would be happy to provide suggestions, and/or discuss possibilities with you. After we receive your interest form, we'll provide you with a show proposal form requesting more detailed information, and make arrangements for a script, if needed.
